rFoil HVAC Duct Insulation and Tape

rFOIL™ Duct Insulation is a double layer of polyethylene bubbles sandwiched between two highly reflective radiant barriers. This inspector-friendly tape means no hassles at the job site, and peace of mind for installers. Prevents condensation.

rFoil

0270529 4' x 100'

0270531 3' x 100'

0270532 4' x 125'

0270534 4' x 50'

Tape

0270530 2.5" x 180' roll

Pine Wood Plugs

Slightly tapered for easy insertion. The top 1/8 is the full diameter measurement for a tight even fit. Made from kiln dried lumber and produced on specially designed equipment, resulting in quality, uniformly-sized plugs. No splintered face edges. Packaged in 250 count bags

0270427 1" Plug

0270428 2" Plug

Long-Barrell Plastic Plugs

The Long Nose, with its exceptional design, is our best plastic plug. With a 5/8" shank and heavy gripping teeth, this plug will hold in both single and multiple layers of siding. Extra wide cap has a tapered edge for obscured vision on sidings and a textured top for easy painting. 250 per bag. 2000 per box.

0270425 1" Plug

0270426 2" Plug"

Foam Drywall Plugs

Styrofoam plugs used for holes in drywall- recessed to accept spackling compound. They absorb little moisture, thus require fewer layers of spackling for a smooth finish. 1000 per package.

0270429 1" Plug

0270430 2" Plug

Wasp Insulation Blower

The WASP represents the best insulation blowing technology available, refined and enhanced with your ideas and suggestions. What's more, the WASP utilizes proven airlock technology for simplicity

and minimal downtime. The result is the best lightweight machine on the market, tailored to meet your demanding requirements.

FORCE/2 Insulation Blower

Professional Grade – Virtually Indestructible!

The FORCE/2 is the insulation blower you want when you need a larger, stronger machine. With an 8½ cu. ft. hopper that can hold 50 lbs of material, a strong 1½ hp motor and a powerful 3.6 PSI blower, the FORCE/2 blows up to 2,012 lbs of light density cellulose and 428 lbs of fiberglass per hour. And for the more demanding

jobs, the FORCE/2 is now available with an incredible 4.5 PSI, 116 CFM blower. Easy setup, operation and cleanup. It takes only four switches to operate the FORCE/2. No complicated gauges, dials, or knobs.

0380453

BLOWERS COME COMPLETE WITH:

- 100 feet of 3 inch blowing hose
- One 3 inch stainless steel hose connector
- Three 3 inch stainless steel hose clamps
- Two 100 foot power cords
- 100 foot dual remote control
- Variable speed blower pressure control
- Airlock stainless steel inserts
- Pinset material slide gate
